through the 2nd Commissioner

How much neutral and troublesome such proposals are? I do not quite understand the Chief Court's recommendation. How can we give the Municipality limited powers, to change for Dairy and Nagpur word. "To be in charge" is an expression which is foreign to the Regulation. We have to alter the Jamkhed Municipality. [illegible] territorial jurisdiction temporarily under section 5 of the Regulation. I have accordingly revised the draft. The Chief Court can of course give orders as to what words of the Waddaqiri [illegible] Jamkhed Municipality should do and what he should do. But no such legislation could go with the Notification. Please correct me if I am wrong. Others

Hence, let the Notification
as proposed by me be
issued ~~to the Collector~~ with the
Revenue Board's
suitable observations.

If we issue a Notn as
altered we shall have
again to alter the procedn
when the Maddagiri Muff
returns. But I fear it
cannot be helped. It would
have been better to have
transferred the Municipality in-
stead of the Court to Serampur
station, in which case, we
could have placed the Tamluk
Muff in charge of the Collr
Civil Court.

Sir,

Adverting to Government Notification No: J. 623 dated 14th September 1903, I have the honor to inform you that the Munsiff of Huddagiri has left his station to perform the duties of an additional Munsiff at Seringapatam. The number of pending suits at Huddagiri is small and they may be decided within a short time when the Munsiff returns to his station. or to file suits and apply for attachments
before Judgment and they may be put to in-
convenience by the absence of the Nunsiff.
To obviate the possible inconvenience, I am
directed to recommend that the Nunsiff &

powered to take charge of the Court at Mad
